### Poverty

Children in Poverty	Fuel Poverty
The proportion of children living in families in receipt of out-of-work (means-tested) benefits or in receipt of tax credits where their reported income is less than 60 per cent of UK median income.	<p>The Low Income High Costs indicator is a twin indicator consisting of:</p> <ul style="list-style-type: none"> <li>• the number of households that have both low incomes and high fuel costs; and</li> <li>• the depth of fuel poverty amongst these fuel poor households. This is measured through a fuel poverty gap which represents the difference between the required fuel costs for each household and the median required fuel costs.</li> </ul>
